This is a unique experience for any Birdie Certified young person. The First Tee holds this annual academy for 100 participants from The First Tee Chapters around the USA and the world. This year's academy is from July 13-20 at Kansas State University in Manhattan, Kansas and Colbert Hills Golf Course. The First Tee pays all costs of the academy including transportation to and from Manhattan. We have sent someone to a National Academy very year and we can nominate as many as three people. Completed applications must be returned to our Chapter Office by April 30th and we mail them in. Applications should **not** be mailed directly to The First Tee Home Office.

In addition, last year The First Tee introduced the PLAYer advanced academy for young people who want to pursue golf beyond high school. The details are not set for this event yet, but we will forward them as soon as they are available.
